Part B — Master Agreement

Sections 1 to 28. These clauses govern the commercial relationship between Wedven and the Venue Partner and apply together with the Schedules in Part C.

“Booking” means a venue reservation confirmed through Wedven.

“Customer” means any individual or organisation booking a venue through Wedven.

“Booking Amount” means the amount payable by the Customer for booking the venue.

“Platform Fee” means the service fee charged by Wedven, as set out in Schedule 1.

“Commission” means the agreed percentage payable by the Venue Partner to Wedven, as set out in Schedule 1.

“Settlement” means payment released by Wedven to the Venue Partner.

“Vendor Dashboard” means the online portal provided by Wedven to the Venue Partner.

2. Purpose & Appointment

This Agreement establishes the terms under which the Venue Partner authorises Wedven to list, market and facilitate online bookings for its venue through the Platform, and defines the Parties' respective rights and obligations.

The Venue Partner appoints Wedven on a non-exclusive basis to facilitate online bookings for the venue. The Venue Partner remains free to market its venue through other lawful channels unless otherwise agreed in writing.

3. Platform Role

Wedven is solely a technology platform. It enables Customers to search, compare, and check availability of venues, book venues online, make online payments, and receive booking confirmations.

Wedven does not own, lease, manage, supervise or operate any venue listed on the Platform.

4. Services Provided by Wedven

Wedven may provide venue listing and profile management, an online booking system, customer payment collection, booking confirmation, the Vendor Dashboard and calendar management, settlement of booking payments, booking notifications, booking-related customer support, and marketing and promotion of venue listings.

5. Services Not Provided

Unless expressly agreed in writing, Wedven does not provide or manage catering, decoration, photography, videography, wedding or event planning, event management, DJ or entertainment services, accommodation, transportation, food services, security, parking management, or generator services. All such services, where required, are arranged solely by the Venue Partner or third parties.

6. Venue Listing & Vendor Declarations

The Venue Partner authorises Wedven to publish the venue name, images, videos, amenities, capacity, location, pricing, policies, contact details (where applicable) and promotional material, and confirms that all information supplied is accurate.

The Venue Partner declares that it lawfully owns or operates the venue; that all licences required under applicable law have been obtained; that the information supplied to Wedven is true and accurate; that it has authority to enter into this Agreement; and that it shall comply with applicable laws. Any false declaration may result in suspension or termination.

7. Term

This Agreement commences on the Effective Date and remains valid until terminated in accordance with Section 23.

8. Vendor Registration & KYC

The Venue Partner agrees to submit documents reasonably requested by Wedven for verification, as consolidated in Schedule 10 (KYC & Document Checklist). Wedven reserves the right to verify all submitted documents.

9. Vendor Obligations

The Venue Partner shall maintain accurate venue information, update pricing and availability promptly, honour confirmed bookings, maintain cleanliness, comply with applicable laws, cooperate in dispute resolution, respond promptly to customer enquiries routed through Wedven, and provide the venue substantially as described in the listing.

The Venue Partner shall not provide false information, manipulate availability, create fake bookings, misuse customer information, or engage in fraudulent activity.

10. Booking Process

Customers submit booking requests through the Platform. All booking payments are collected exclusively by Wedven through its authorised payment gateway.

A booking is Pending until payment is successfully received by Wedven, and becomes Confirmed only after successful customer payment, receipt of funds by Wedven, and generation of a booking confirmation. If payment fails, is cancelled, expires, or is reversed, the booking shall not be confirmed and the venue remains available.

Upon confirmation, the booked date and time slot is blocked on the Platform and the Venue Partner shall not accept another booking for the same slot.

The Venue Partner shall not encourage or induce Customers introduced through Wedven to bypass the Platform to avoid commission or platform fees. Any such conduct may result in suspension, withholding of settlements, recovery of losses, or termination.

11. Payment Collection & Merchant of Record

The Venue Partner acknowledges that Wedven acts as the authorised payment collection platform for all bookings made through the Platform, and that all booking payments shall be received by Wedven through its authorised payment gateway(s).

For every booking originating from Wedven, the Venue Partner shall not accept advance payments directly from Customers, request transfers to any personal or business account, accept cash booking advances, share personal UPI IDs or bank details with Customers for booking payments, or encourage Customers to cancel their Wedven booking and pay directly. Any violation is a material breach of this Agreement.

12. Commission & Platform Fee

The Venue Partner agrees to pay Wedven the Commission and Platform Fee set out in Schedule 1 for every successful booking, calculated on the Booking Amount unless otherwise agreed in writing. Additional charges, if any, shall be as agreed in writing between the Parties.

13. Payment Settlement

Wedven shall settle amounts due to the Venue Partner within the settlement timeline set out in Schedule 1, subject to applicable deductions. Wedven shall make available a settlement statement showing the Booking Amount, Commission, Platform Fee, applicable taxes and net settlement for each booking.

14. Bank Account

Settlement shall be released only to the bank account registered and verified in Part A, or, where the Venue Partner has furnished the authorisation at Schedule 12, to the nominated personal bank account. Changes to bank account details require a written request, verification, and supporting documentation reasonably requested by Wedven.

15. GST & Taxation

GST shall be charged by Wedven only to the extent applicable under the CGST Act 2017, the applicable SGST Act 2017, the IGST Act 2017 and the rules made thereunder. The Venue Partner is solely responsible for its own GST registration (where applicable), invoicing, return filing, tax payment, and compliance, as further detailed in Schedule 11 (GST Declaration). Wedven shall levy GST only on its own taxable services, being the Commission, Platform Fee and any technology charges.

16. Pricing & Availability

The Venue Partner shall set and update its own pricing and shall honour the price published on the Platform at the time of booking. The Venue Partner shall keep its calendar and availability updated on the Vendor Dashboard; confirmed slots are automatically blocked and shall not be double-booked.

17. Customer & Venue Partner Responsibilities

Customers are responsible for providing accurate booking information and for their own conduct at the venue. The Venue Partner is responsible for the safe and lawful operation of the venue, for the services it directly provides, and for compliance with applicable safety, fire, and public-safety requirements at the venue.

18. Liability, Damage, Insurance & Indemnity

As between the Parties, the Venue Partner remains solely responsible for the operation, safety, and condition of the venue, and for any loss, damage, injury or claim arising at or in connection with the venue, except to the extent directly caused by Wedven's own proven negligence in operating the Platform.

Wedven's aggregate liability to the Venue Partner under this Agreement, however arising, shall not exceed the Commission and Platform Fee actually received by Wedven from the Venue Partner's bookings in the three (3) months preceding the event giving rise to the claim, save where such limitation is not permitted by applicable law.

The Venue Partner shall indemnify and keep indemnified Wedven against losses, claims, damages, costs and liabilities arising from the Venue Partner's breach of this Agreement, incorrect information, or the operation of the venue. Further detail is set out in Schedule 5.

19. Confidentiality

Each Party shall keep confidential the other Party's non-public business, technical, financial and commercial information disclosed in connection with this Agreement, and shall use it solely for purposes of this Agreement, save for disclosures required by law, regulation, or court order, or information that is or becomes publicly available other than through breach of this clause.

20. Customer Data & Privacy

Customer data made available to the Venue Partner through the Platform may be used solely for fulfilling confirmed bookings, and shall not be used for unrelated marketing, resold, or shared with third parties except as permitted by Schedule 6 (Privacy & Customer Data Policy) or required by law.

21. Fraud Prevention & Chargebacks

Wedven may investigate suspected fraud or serious misconduct and, where reasonably suspected, may suspend listings or bookings, hold settlements, cancel suspicious bookings, terminate this Agreement, and report the matter to relevant authorities. Where a Customer disputes a payment or initiates a chargeback, Wedven may hold the corresponding settlement, request supporting documents, and adjust or recover amounts as contractually justified. Further detail is set out in Schedule 7.

22. Suspension of Account

Wedven may suspend the Venue Partner's account where required KYC documents are not provided, false information is supplied, repeated customer complaints indicate serious issues, fraud is suspected, applicable laws are violated, or the Venue Partner materially breaches this Agreement. During suspension, Wedven may pause bookings and settlements until the issue is resolved. Further detail is set out in Schedule 9.

23. Termination

Either Party may terminate this Agreement by giving thirty (30) days' written notice, unless otherwise agreed. Wedven may terminate immediately if the Venue Partner commits fraud, submits false documents, repeatedly fails to honour confirmed bookings, diverts customers to avoid commission, engages in illegal activity, or materially breaches this Agreement without remedy within a reasonable period.

Upon termination, future bookings may be cancelled or managed per Wedven's policies; outstanding settlements shall be processed subject to applicable deductions and legal obligations; the Venue Partner shall cease using Wedven branding and platform resources; and confidentiality and other surviving provisions shall continue to apply. Further detail is set out in Schedule 9.

24. Intellectual Property

The Venue Partner retains ownership of its trademarks, logos and original content, and grants Wedven a non-exclusive, royalty-free licence during the term of this Agreement to use venue names, photographs, logos, videos and related promotional content solely for listing, marketing and facilitating bookings on the Platform. The Venue Partner confirms it holds the rights necessary to grant this licence.

25. Force Majeure

Neither Party shall be liable for delay or failure in performing obligations caused by events beyond its reasonable control, as illustratively listed in Schedule 8. The affected Party shall notify the other as soon as reasonably practicable.

26. Dispute Resolution

The Parties shall first attempt to resolve disputes through good-faith discussions. If a dispute cannot be resolved amicably within thirty (30) days, either Party may pursue remedies available under applicable law before the courts specified in Section 27. Nothing in this clause prevents either Party from seeking urgent interim relief where legally available.

27. Governing Law & Jurisdiction

This Agreement shall be governed by and construed in accordance with the laws of India. Subject to applicable law, the courts at Ahmednagar, Maharashtra (the location of Wedven's registered office) shall have exclusive jurisdiction over disputes arising out of or relating to this Agreement.

28. General Provisions

Entire Agreement: This Agreement, together with Schedules 1 to 13, constitutes the complete agreement between the Parties on its subject matter, and supersedes all prior discussions, drafts and standalone declarations on the same subject.

Amendments: Wedven may update operational policies from time to time; material changes affecting commercial terms shall be communicated to the Venue Partner in advance where reasonably practicable.

Assignment: The Venue Partner shall not assign or transfer its rights or obligations without Wedven's prior written consent. Wedven may assign this Agreement to a successor entity or affiliate in connection with a merger, acquisition or restructuring, subject to applicable law.

Severability: If any provision of this Agreement is held invalid or unenforceable, the remaining provisions shall continue in full force and effect.

Waiver: Failure by either Party to enforce any provision shall not constitute a waiver of that provision or any other right.

Notices: All formal notices shall be sent by email, registered post, or recognised courier to the addresses recorded in Part A. A Party shall promptly notify the other of any change in contact details.

Part C — Schedules

These Schedules form an integral part of this Agreement and are read together with Part B. Each Schedule addresses one policy area in full. As between the Venue Partner and Customers, property damage, theft, personal injury and event-management issues are matters for the Venue Partner (and its insurers, where applicable) to resolve directly, save where the Venue Partner and Customer have expressly agreed otherwise through the Platform.

SCHEDULE 7 — Fraud Prevention & Chargeback Policy

This Schedule supplements Section 21 of Part B. Where a chargeback, payment dispute, or suspected fraud arises in connection with a booking:

- Wedven may place a temporary hold on the corresponding settlement pending investigation.
- The Venue Partner shall cooperate by providing booking records, communications, and other relevant evidence on request.
- Where fraud is attributable to the Venue Partner, Wedven may recover amounts already settled, withhold future settlements, suspend the account, and/or terminate this Agreement, in addition to reporting the matter to competent authorities where required by law.
- Where fraud is attributable to a Customer, Wedven shall use reasonable efforts to protect the Venue Partner's legitimate settlement, subject to the outcome of the payment network's investigation.

SCHEDULE 8 — Force Majeure Events

SCHEDULE 12 — Bank Account & Payout Authorisation

The Venue Partner authorises Wedven to transfer all settlements payable under this Agreement to the bank account recorded in Part A. Where that account is a personal account rather than the business's own account, the Venue Partner additionally declares and authorises as follows:

- The nominated account belongs to a person in a stated relationship to the Venue Partner (owner, partner, director, or family member), who has knowingly consented to receive Payouts on the Venue Partner's behalf.
- Payment successfully credited by Wedven to the registered account constitutes valid and complete discharge of Wedven's corresponding payment obligation.
- Wedven shall not be responsible for any dispute between the Venue Partner, its owners, family members, partners, or employees regarding ownership or control of the nominated account.
- The Venue Partner shall indemnify Wedven against claims, losses, or liabilities arising from incorrect account details or disputes over ownership of the nominated account, and shall promptly notify Wedven in writing of any change in banking details.
